Dear Gwynedd Veterinary Hospital:

Thank you for answering the "call of the wild" by donating \$100.00 to The Schuylkill Center for Environmental Education's first Wildlife Rehabilitation Clinic appeal. Your gift will make a tremendous difference in our efforts to rehabilitate the animals that are brought to our clinic. You are giving thousands of animals a second chance to live their lives as nature intended.

This is the inaugural year for our wildlife rehabilitation appeal. We hope that you will continue to support the important work of rehabilitating wild animals for years to come. Enclosed you will find a coupon redeemable at our bookstore for your bird key chain gift. The key chain will be available through April 1, 2005. If you are unable to pick up your gift in person, please call us and we will arrange for delivery.

Your continued support is a critical part of the Center's ability to serve our community. Please don't hesitate to call us if you have any questions about the Schuylkill Wildlife Rehabilitation Clinic at (215) 482-7300 or email us at [scee@schuylkillcenter.org](mailto:scee@schuylkillcenter.org).

Sincerely,

*Tracy R. Kay*
