Lansdale, PA 19446

Thank you for being a sponsor for the Stray Cat Blues, Inc. (SCBI) Silent Auction. All contributions and net proceeds from the auction will go toward TNR (Trap Neuter and Return) projects. What this means is that we can assist more people who are concerned about the feral cat populations in their communities and believe that there are more humane methods to deal with the situation than to kill a healthy feral cat.

More and more states are forming alliances with rescue groups to address the overpopulation of abandoned and stray animals and to reduce killing the animals as a solution. To read more about NYC's commitment to this endeavor visit www.aspc.org. To learn more about TNR visit www.alleycat.org.

We have enclosed two admittance tickets to the September 29 Silent Auction. We hope that you or someone you know are able to attend.

Thank you for caring; you have made a difference.

Judy Smith
Volunteer

The question is not, Can they reason? nor,
Can they talk? But rather, Can they suffer?
-- Jeremy Bentham

"If you have men who will
exclude any of God's
creatures from the shelter of
compassion and pity, you will
have men who will deal
likewise with their fellow
men."—St. Francis of Assisi
