Dear Friends,

Thank you for purchasing a \$200 half page ad of Laurel House's Gala. As Montgomery County's only comprehensive domestic violence program, we work to provide safe haven for abused women and their children, to raise public awareness about domestic violence and to advocate for social change against domestic violence

We're currently planning what we hope will be our most successful Gala to date! All Gala supporters will be recognized and in our newsletter (with a circulation of over 9,000). Proceeds from our Gala will enable us to continue to provide community education, safe shelter, counseling and training to women and their children to prepare them for self-sufficiency and freedom from abuse.

Thank you for your support!

Sincerely,

Melissa M. Firman
Director of Development & Public Relations
