Dear Friends:

The Board of Directors and staff of the Montgomery County S.P.C.A. join me in heartfelt thanks to you for your sponsorship of a dog named "**Bonnie Blu**" in our August 2005 Adopt-a-Pet ad. We are happy to tell you that "Bonnie Blu" was adopted and has happily settled into her new home.

Our Save-A-Life program continues to enjoy great achievement with the animals in our ads being successfully placed.

Thank you for your thoughtfulness to help place the homeless animals that are in our care, into good homes.

Sincerely,

Carmen J. Ronio  
Executive Director
